

# ***CartCaddyHD*** **ChainDrive** <sup>TM</sup>

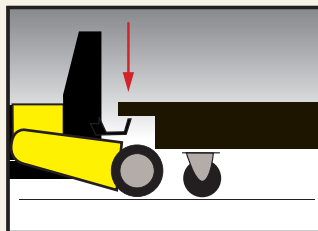

Prevents physical strain and pain associated with pushing or pulling heavy carts and other wheeled equipment.

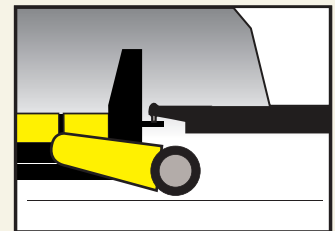

**Push or Pull up to 50,000 lbs**

Firm attachment to cart transfers weight to wheels of CartCaddyHD Chain Drive.

CartCaddyHD Chain Drive hydraulic lift kit raises and lowers for quick connection to carts on rails.

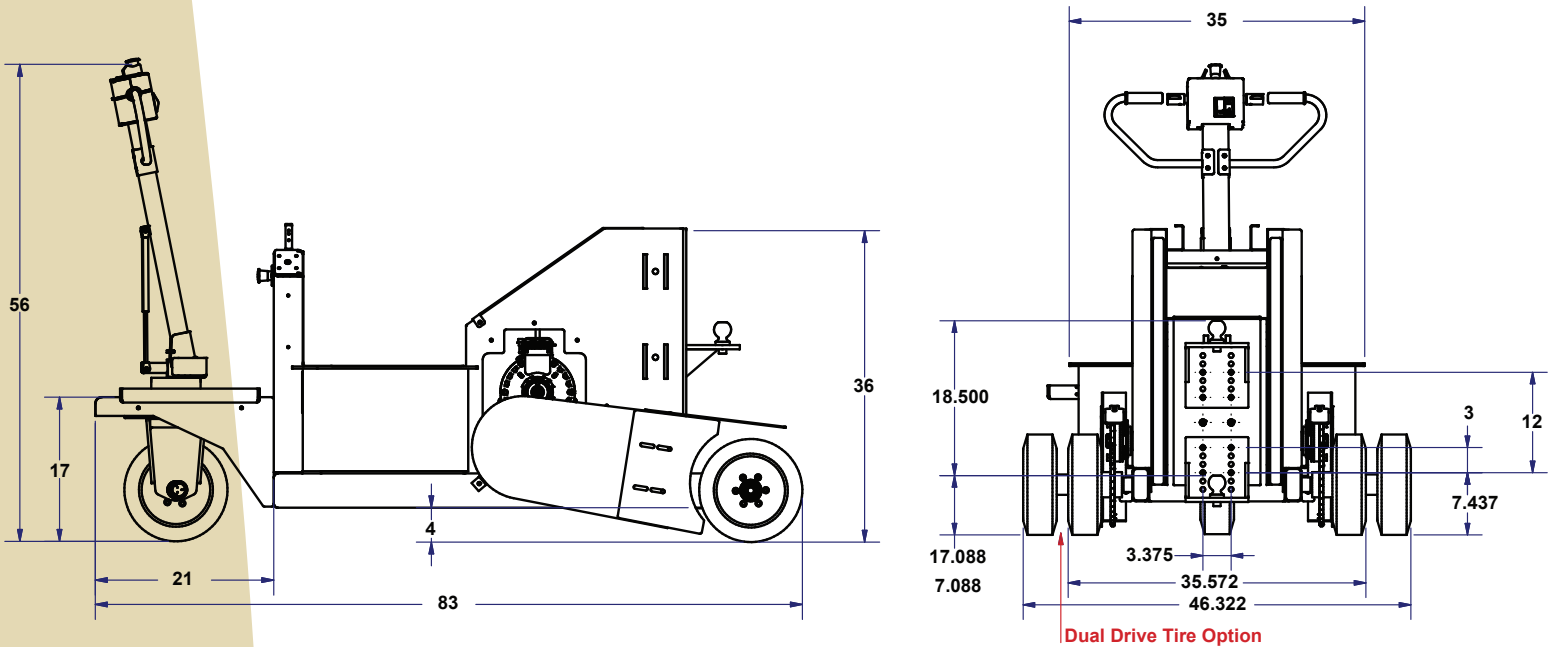

CartCaddyHD Chain Drive easily pushes and pulls trailers with ball hitch.
